

2026 SCHOOL SUPPLY ITEMS FOR MASON SCHOOLS

Mason Schools begin the 2026-2027 term on **August 17th**.

In August TOT will be assembling collected school supplies. We plan on placing items for K-6 students in backpacks. We hope to directly distribute these backpacks to students in the area.

Bring your items to TOTC (3615 Socialville-Foster Rd) during Sundays in July and August.

Teachers often must purchase items for students who need supplies. We will give some of these items to the counselors at Mason Schools for teachers to use for their students throughout the year.
